Small Parts. Big Costs.

Cars are getting more complex. With cameras, sensors, and touch screens, repairs can add up quickly. Precision has you covered. Precision is specifically designed for newer cars with advanced technological components. **All Precision coverage levels include Tech protection.**

Find the coverage for your journey

With a vehicle service contract, you don't have to fear the detour. Protected from uncertain expenses, just enjoy the ride. Start by selecting from our range of coverage options.

BEST CHOICE

Precision Ultimate

Protection for nearly all mechanical, electrical and electronic parts, except a short list of exclusions. The most complete coverage type available.

Exclusions Include:*

- Routine maintenance services
- Trim, moldings, carpet, paint
- Exhaust & emissions
- Normal parts wear
- Tires, wheels/rims and glass
- Failure caused by misuse or negligence
- Collision, theft, vandalism, weather

STANDARD OPTION

Precision Plus

Includes all tech components plus coverage for a wide range of mechanical components like engine, transmission, brakes, electrical and more. Reduces risk for many breakdown types.

ECONOMY OPTION

Precision Tech

Coverage for tech components only. Covers most tech components in modern cars like navigation, display screens, adaptive cruise control, cameras, AUX, WiFi, and more. A cost-effective option that also provides peace of mind.
